

YOU MIGHT SEE A MESS.
WE SEE A **MIRACLE** IN THE MAKING.

At Pfizer, every medicine we make has a story. Of discovery. Of trial and error. Of setbacks and breakthroughs. And every one starts with the curiosity of our scientists, who ask "What is this? And how can it help?"

Scientific research is only one part of a medicine's journey. Get the full story at Pfizer.com/discover.

Pfizer
Driven to discover the cure
