My husband and I always wanted a big family. We adopted two boys and a girl from Vietnam. We thought we were done, but then civil war broke out in Sierra Leone. That's when Alysha and Alysha came into our lives. They were six years old when we brought them home. America was such a foreign place to them. They had never even seen ice before. They'd always spit it out. Now they're typical American teenagers.

A FILM SERIES BY GE APPLIANCES

To spend more time with their family and less time wiping fingerprints off the fridge, Ken and Doris outfitted their kitchen with GE Profile Slate Appliances.
