A SNEAK PEEK INTO SOME OF OUR
FAVORITE CELEBRITIES' PRIVATE PLACES.

ROSE MCGOWAN

Actress,
The Silent Movie Theatre, Los Angeles

"Time travel. That is what I love about silent movies. There is a retirement home next to the movie theater, and I love to imagine the seniors when they were young and seeing films for the first time. They weren't silent films to them; just films. I try to see the films through eyes that have never before seen the likes of Pola Negri, Theda Bara, Valentino, Chaplin and the inimitable Clara Bow. I love that there is a place where I can be not only with the ghosts of the screen, but the ghosts of past audiences as well."
