CHASE

A 13-year-old boy with a passion for food and his own cooking show, chasenysurface.com.

I like to make up my own recipes. It's pretty awesome that you can add a little of this, a little of that and make something totally new. I invented a dessert that I call Banana Split Mini Moist Cakes. It's super easy with the Advantium oven because it's fast and it remembers how to bake them just right every time. It's probably a good thing that they're mini though so that I don't eat too much.

Cooking should be less about writing and more about enjoying. Chase uses his GE Advantium Oven to bake, cook and experiment with speed and ease in the kitchen.
