*'Fahrenheit 451'*

"['Fahrenheit 451'] felt spot on to what was going on in the world, and it was the perfect vehicle for that message to pay attention to what's going on — not being so plugged in and distracted by what you're being told, or what's at your disposal. What's on your iPhone, the apps, the social media? Are you just constantly being fed not your own thoughts?"
